This organization for elementary school-age students began in 1990 when the first club was formed in North Lauderdale, Florida, and it was formally adopted as a Kiwanis International Sponsored Program in 1998. Today, 16,164 students in 500 clubs and 11 nations are actively creating opportunities for community service, leadership development and citizenship education. The Ohio District currently has 27 K-Kids clubs and they are an outstanding way to introduce elementary students to the joys of helping others.

"Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time."

~ KCL DONUTS ~

TOMORROW, Wednesday, October 29, is the beginning of our biggest fundraiser of the year. Each member is asked to support this event by helping to sell donuts. Members are asked to sell at least 10 dozen of donuts. We will begin preparations tomorrow. Workers, sellers, and buyers are the important ingredients of a successful fundraiser. Each member is being counted for their full support.

It's "UP" To You!

We seem to be pretty mixed UP about UP! To be knowledgeable about the proper uses of UP, look the word UP in the dictionary. In a desk-sized dictionary, it takes UP almost 1/4th of the page and can add UP to about thirty definitions. If you are UP to it, you might try building UP a list of the many ways UP is used. It will take UP a lot of your time, but if you don't give UP, you may wind UP with a hundred or more. When it threatens to rain, we say it is clouding UP. When the sun comes out we say it is clearing UP...and there are many more uses.

PS. - Why doesn't "Buick" rhyme with "quick"?
